In his letter No. D. 364 dated the 3rd September 1900, the District Magistrate, Bangalore, reports that though licenses were issued for the years 1897-98 & 1898-99 in accordance with the above order of Govt., the license-holders owing to a further reference from Government, were not allowed to work in their shops as the gun-materials were ordered to be re-seized and stored in the shops and kept under lock and key by the Police and therefore recommends that the fees received from the licensees for those years may be re-funded to them.

Thereupon the District Magistrate was asked to send

In the last sentence
of his report, the Police
Superintendent states that "the
Regulations did not carry

on their business during
1897-98 and 1898-99,
except for a few months in the
calender year 1898."

The words underlined mean
that the Gumasthas
did carry on business for a
part of the year 1898. but
as this period was comparatively small,
and as they were ~~forcibly~~
restrained from driving their
trade during the greater
portion of the two official
years 1897-98 and 1898-99,
it seems only equitable
to refund the license fees
received from them for those
years.

SERIAL No. 13

His letter no 364 dy 3d Sept.r 1900 and no D. 94 dy 18th April 1901, recommending the refund of the licensefees for the years 1897-98 and 1898-99 collected from certain persons in the Bangalore City under the Arms Rules.

With refce to the above, has the honor to observe that what was ordered to be taken possession of by the Police was merely the stock of connected and semi-connected component parts of arms subsequently purchased by the British Govt, and not, it would appear, the entire stock in trade of the Gunsmiths. There was nothing to prevent their carrying on business with their remaining

3° any freshly acquired
land, to the extent per-
mitted by the varied licences
issued to them for the years
1897-98 and 1898-99.

In this point, and as
to whether the licensees
in question did not as a matter
of fact carry on any
mining under the former licences
during those years,
the Board is requested
to furnish definite in-
formation.

To,

The District Magistrate
Bangalore—

Dt. 6th July 1901
No. 12.

His No. J 854 dated the 5th June 1901 forwarding for report, docket No. 15870/J 1577 dated 27th May 1901 from the Secretary to the Government of Mysore in re the refund of license fees for the years 1897-98 and 1898-1899 collected from certain persons in the Bangalore City—

above I have the honour to state that from the records in this office it appears that the entire stock-in-trade of the gunsmiths was first seized in April 1897 by Inspector Nagarakar, who was then in charge of the City Police, and such articles as did not pertain to Army rifles were returned to them in the beginning of 1898 between the months of January and March A Second Seizure of the entire Stock-in-tr in the possession of the gunsmiths was made in September 1898 by the City Police and retained in custody till Mr. Squires of the Bellary Arsenal inspected it on the 4th April 1899 and selected for purchase by the Government of India such of the stock consisting of converted and semi-converted component parts of arms.

the entire stock-in trade was seized,
apparently because the Inspector was un
able to distinguish between Converted and
semi-Converted component parts of arms and the rest
their entire Stock-in-trade being Seized
and not having acquired fresh Stock, I
learn Smiths, did not, it is reported, carry
their business during 1897-1898 and 1898-
kept for a few months in the Calendar
year 1898.
